

## PRESS RELEASE

Borculo, 25 november 2008

### **New General Manager for NAWI B.V.**

*Stephan Toxopeüs has joined the ranks.*

As from 1<sup>st</sup> of November, 2008, Stephan Toxopeüs is the new General Manager of NAWI B.V., Borculo.

#### **Why NAWI?**

"NAWI has an extremely powerful and wide product range. It is a company that can respond swiftly to the latest developments.

The technical ingenuity and focus of the staff appeals to me enormously. And especially their drive to apply this for the customer.

Last September, Nimbus became the financial partner of NAWI. In short, I see a lot of potential in this company," explains Toxopeüs.

Ir. Stephan Toxopeüs (39) has worked as Deputy Technical Manager at several production companies.

#### **NAWI B.V.:**

- Develops and provides complete customer-specific production lines for the food processing industry.
- Realises complete logistics projects, including warehousing and traceability.
- Is a Dutch company with national and international experience.

High-tech customer-specific products and involved employees are characteristic of NAWI.

In September, NAWI received a growth capital investment from the Nimbus investment company. This capital is being applied to strengthen the financial position of the company.
